Hi Karen

My name is Carol Norton and I live on [REDACTED] Street. My backyard backs up to the soundwall that is on Sonoma Mountain Parkway. My complaining is how overgrown the weeds, bushes and Trees that are encroaching in on my property. I have been trying for over 2 years to get this mess cleaned up. Am I supposed to do this myself and send the city's bill? This City looks awful with all the lack of attention that the vegetation is getting!! I urge the Mayor, council members and the City Manager to take a ride through the city and see for themselves. The lack of following through with citizen's requests, complaints is ridiculous!!
