---

2023 California Water Environment Association (CWEA) Redwood Empire Section Award Winners!

Brittany Rossi Worthen – Supervisor of the Year

William Crain – Mechanical Technician Person of the Year

# Brittany Rossi Worthen

- CWEA Redwood Empire Section Supervisor of the Year (2023)
- Laboratory Supervisor at Ellis Creek WRF
- 8 Years as City employee
- CWEA Certification – Laboratory Analyst Grade 4
- Current President of CWEA Redwood Empire Section and City of Petaluma's Professional and Mid-Managers Association
- Organizes CWEA events, including plant tours and golf tournaments
- Accomplishments – updated lab to be compliant with rigorous QA standards, develops and conducts training for City staff across PW&U, keeps the City compliant with changing regulatory requirements
- Brittany values excellence, takes initiative, volunteers for the betterment of the wastewater industry, and has created a thriving lab at Ellis Creek

# William Crain

- CWEA Redwood Empire Section Mechanical Technician Person of the Year (2023)
- Senior Plant Mechanic at Ellis Creek WRF
- 10.5 Years as City employee
- CWEA Certification – Electrical and Instrumentation Grade 1 and Mechanical Technologist Grade 3
- Extensive knowledge and experience in pumps, water conveyance, motors, controls, and heavy equipment operation.
- Accomplishments – provides daily leadership to 3 plant mechanics, streamlined maintenance workflow and created paperless work orders, continually improving maintenance management systems at Ellis Creek,
- Will is hardworking, a strong leader, and dedicated to a positive and safe working environment. He demonstrates ingenuity and creativity in his approach to challenging projects and goes above and beyond when opportunity arises.

# We are proud of you, Brittany and Will!

---

**Thank you for your dedication and passion you demonstrate while helping to maintain our critical Ellis Creek WRF.**
