Dear Members of the Petaluma City Council,

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

As a long-time resident of Sebastopol, and a frequent customer at their cafe in town, I can't emphasize enough what an asset to the community Retrograde has become. The atmosphere and vibe of the place screams "local", in this era of mass produced experiences. Danielle and her staff have created a family of real people caring about community. Petaluma would be lucky to have such a place for locals to visit.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely, Paul Berg, Sebastopol CA

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely, Sherri de Coronado
