To whole it may concern

I write this in support of the fellow business owners at retrograde roasters who bring so much light into our community!

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

*Sincerely,

As a frequent and satisfied customer of Retrograde Coffee, I urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. It will allow the Retrograde team to open a coffee shop in the same space where their coffee is roasted, and it will benefit the community.

Retrograde brings a positive and open experience to their retail location. Connecting this to a roastery would create a unique location for the community. I am gladdened to see the community support that Retrograde brings to their presence in Sebastopol. They support artists and makers and small businesses. It will be a great gathering place for the residents of Petaluma. This supports and builds a vibrant business and culture in the Petaluma economy.

Thank you for considering this important request. Please help make Barn 5400 a place to gather, enjoy and relax.

Dear members of the city council,

I am both a local business owner here in Petaluma (The Bagel Mill) and a big fan of Retrograde Coffee Roasters. I support having more locally owned & operated coffee shops in the area that grow our sense of community and make our small town a unique tourist destination. Supporting small businesses is good for other small businesses in this town like myself, and I hope you strongly consider approving this zoning amendment. Together we make Petaluma the town we all know and love.

This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely,
Janelle

To whom it may concern-

I have been a frequenter of Retrograde since I moved back into Sebastopol in 2018. In that time, I have seen all the amazing things that the business and the owners Danielle and Casey provide for the community. Support to other small businesses, to local causes, to each of their customers.

They also treat their staff just as well if not better than their patrons, which is clear in the enthusiasm the staff has for their jobs and the respect with which they treat each other. Retro is a prime example of how a small business should be run: people over profits, and the profits will follow.

This small but mighty business has become the epitome of "pillars of our community" and Petaluma would be lucky to have them as part of their community.
