

BLUE ZONES PROJECT UNV DEMONSTRATION PROJECTS

March 6th, 2024

CALISTOGA PROTECTED BIKE LANE

- Calistoga Safety Day 2022
 - Collected community input
- Calistoga Safety Day 2023
 - Implemented protected bike lane
- Walk to School Day 2023
 - Implemented week long protected lane

PROCESS

- Partnered with Public Works and Calistoga School District
- Approved encroachment permit and coordination of materials & signage
- Installation of delineators and bike stencils
- Evaluation of bike lane
 - Online community survey
 - Paper surveys (school)
 - Observational data collection & Parent Interviews

“They fixed the bike lane!”

—Elementary School Student

FINDINGS AND NEXT STEPS

- Positive response from community surveys
 - High use through observational data
 - Active Transportation Advisory Committee presentation
 - Interim flexi-post installation
-

ST. HELENA TRAFFIC CALMING BULB OUT

- Installed September 2023
- 30 volunteers
 - including local students, neighbors, & elected officials
- Evaluated vehicular speed and use of crosswalks/intersection
- Removed December 2023

PROCESS

- Napa County Bicycle Coalition's Safe Routes to School Walk Audit Report
- Buy-in of city staff, ATSC, city council, & school district
- Encroachment permit, materials, & signage
- Installation of delineators and school color circles
- Evaluation of bike lane
 - Online community & school survey
 - Observational data collection
 - Speed data

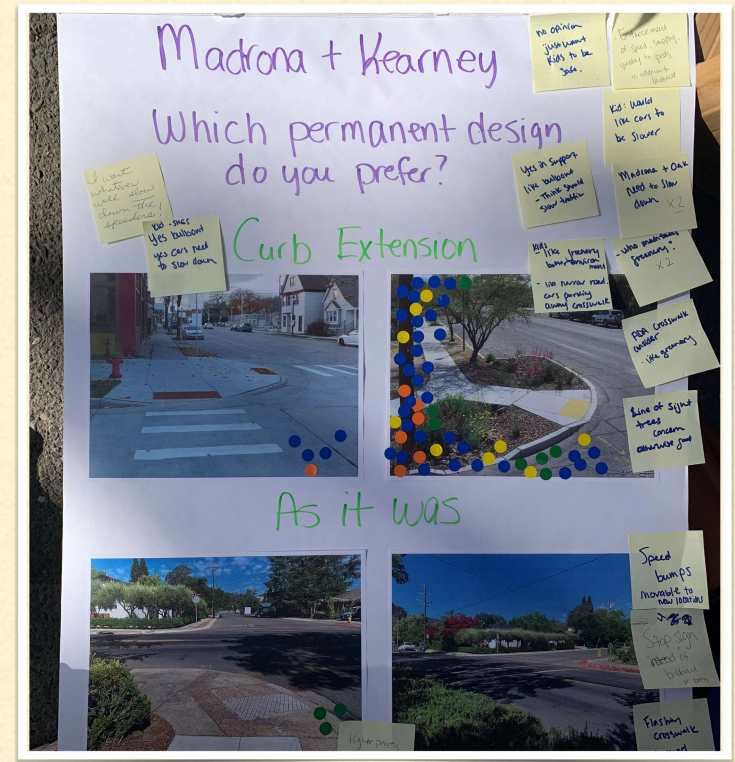

FINDINGS AND NEXT STEPS

■ Findings

- Community struggled with the aesthetics & temporary aspect
- Perception of slowing drivers & increased safety
- Enforceable speed violations down

■ Next Steps

- Presentation to ATSC for recommendation on bulb outs
