

Resolution No. 2024-XXX N.C.S.
of the City of Petaluma, California

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PETALUMA AUTHORIZING
PURCHASE AND INSTALLATION OF TWENTY (20) DUAL TRASH AND RECYCLING
RECEPTACLES FROM VICTOR STANLEY VIA THE EQUALIS GROUP COOPERATIVE
PURCHASING AGREEMENT**

WHEREAS, Petaluma Transit seeks to increase transit ridership throughout the City of Petaluma; and

WHEREAS, the City seeks to improve conditions at bus stops throughout the City to help encourage transit ridership, lower vehicle miles traveled, and greenhouse gas emissions; and

WHEREAS, on January 24, 2022, the City Council authorized staff to apply for a CalRecycle grant to improve public waste receptacles in Petaluma; and

WHEREAS, staff submitted an application for and on September 21, 2023 and CalRecycle notified staff of award of the Beverage Container Recycling Grant Program funding in the amount of \$275,000; and

WHEREAS, the City wishes to procure twenty (20) dual trash and recycling receptacles to be installed at key bus stops throughout Petaluma; and

WHEREAS, an option was located to purchase the receptacles through a procurement consortium, led by the Equalis Group, known as the “Cooperative,” Victor Stanley, was a successful bidder; and

WHEREAS, quotes were received for the receptacles with the quote by Victor Stanley for twenty (20) SD-242 trash and recycling receptacles totaled \$85,786.40, including materials, freight, and tax being the best value; and

WHEREAS, installation for these receptacles is estimated to cost an additional \$10,000, for a total project cost of \$95,786.40; and

WHEREAS, funding for the project will be as follows: \$75,000 from CalRecycle Grant funds, and \$20,786.40 from Petaluma Traffic Impact Funds (TIF); and

WHEREAS, the proposed action is exempt under the common-sense exemption, California Environmental Quality Act (CEQA) Guidelines Section 15061(b)(3), as the purchase of public trash and recycling receptacles to replace existing trash receptacles will facilitate waste reduction; and

WHEREAS, the project is also categorically exempt pursuant to CEQA Guidelines Section 15301 (Existing Facilities) Section 15303, as the bus shelters and benches are small structures, and Section 15311, in that the new bus shelters and benches are accessory structures to established uses. and Section 15304 (Minor Alterations to Land) as any impacts related to installation of the receptacles will be temporary.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Petaluma as follows:

- 1. The recitals set forth above are true and correct and incorporated into this resolution as findings for the Petaluma City Council.
- 2. Authorizes the purchase of twenty dual waste receptacles from Victor Stanley, via the Equalis Group Cooperating Purchasing Agreement in the amount of \$85,746.40. Finds that purchasing the waste receptacles through a cooperating purchasing agreement satisfies the City’s Charter and Municipal Code purchasing requirements.
- 3. Finds that the purchase twenty (20) Victor Stanley dual trash and recycling receptacles is exempt under the common-sense exemption, California Environmental Quality Act (CEQA) Guidelines Section 15061(b)(3), as the purchase of public trash and recycling receptacles to replace existing trash receptacles will facilitate waste reduction. The project is also categorically exempt pursuant to CEQA Guidelines Section 15301 (Existing Facilities) Section 15303, as the bus shelters and benches are small structures, and Section 15311, in that the new bus shelters and benches are accessory structures to established uses. Installation work would be categorically exempt pursuant to CEQA Guidelines Section 15304 (Minor Alterations to Land) as any impacts related to installation of the receptacles will be temporary.
- 4. The City Manager or their designee is hereby authorized to take all actions necessary to implement this Resolution.

Under the power and authority conferred upon this Council by the Charter of said City.
