ISRAEL on PALESTINE chanting Marchers only whine

George Washingtons' version of Israel was Ben Gurion who stated "If I were an Arab leader I would never make terms with Israel. That is natural, we have taken their country." ... according to Nahum Goldmann, Ben-Gurion allegedly said this to him. Goldmann was an adversary of Ben-Gurion, and he came out with this alleged quote, verbatim, in his book ... (The Jewish Paradox, 1978),.....

Here be the Knowledge that no Rabbi... no Priest... no Minister will ever acknowledge.... And this be WHY the World remains at War....

Most every religion that claims Yeshua aka Jesus as theirs to serve or follow..... Do Not ! For He said "As you do unto the least of Me you do unto Me and therefore yourselves".... for "I am always with You" and as quoted in the Essenes Gospel of Peace "And Jesus said unto them, 'Verily I say unto you, they who partake of benefits which are gotten by wronging one of God's creatures, cannot be righteous: nor can they touch holy things, or teach the mysteries of the kingdom, whose hands are stained with blood, or whose mouths are defiled with flesh.'"

And so even the Commandments were NEVER followed for to Break One be to Break them All (murder always included the animals since Moses)

Meanwhile the Judaics who claim Him NOT in Word but rather by ACTION as they continue "To wield the Sword of Jesus as he had stated "I came not to bring peace but a Sword hence we witness Palestine...the Power to change this all be thru the Prophetic Command from Jesus given Peter calling for thee 40 Day Freedom Strike freeing the animals the earth Mother the Truly Chosen and the innocent.. plz see "Peter Tscherneff... king of Masterpiece Theatre" also "Peter Tscherneff 5 G youtube"
