Dear Members of the Petaluma City Council,

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely, Jim Fuller

Dear Members of the Petaluma City Council,

As a colleague who works alongside Retrograde Coffee Roasters on the Barn 5400 property, I'm writing to express my full support for the zoning amendment and annexation of this space into the city of Petaluma. Over the years, I've seen the effort and dedication the Retrograde team has put into this project, and I know the positive impact it can bring to our community.

Retrograde's Sebastopol location is more than a coffee shop; it's a gathering place, a local resource, and a connection point for the community. Their plans for Barn 5400 promise to bring that same sense of community to Petaluma, combining their roastery and cafe in one location and providing a unique spot where residents can come together.

Retrograde's focus on collaboration, support for local events, and dedication to creating an inclusive space have made had a huge impact in Sebastopol, and I believe it will bring similar value to Petaluma.

Thank you for considering this request. I'm eager to see how Retrograde's work at Barn 5400 can contribute to the vibrancy of our city.

Sincerely,
Kelsey Wiig

Hello,

I am writing to encourage the Petaluma City Council to vote Yes on the Barn 4500 Property Zoning Amendment.

I work for FEED Cooperative, another tenant at Barn 5400, and we love our little community of businesses. So many cool people come through this site whether its local farmers delivering their produce to FEED or local gardeners visiting Harmony Farm Supply. The entire Barn 5400 complex is a community hub! I think about how in Italy, every single place has a little espresso bar with snacks and good conversation. This is what we're missing at Barn 5400! A place to share a conversation, get some much-needed caffeine and move happily through our days.

Thank you for considering passing this amendment and allowing Retrograde to complete a drawn-out and very expensive project. They are a beloved Sonoma County business!!

Best,
Lucy O'Dea

Dear Members of the Petaluma City Council,

I am writing to ask for your support in approving the zoning amendment and annexation of this property to the city of Petaluma.

Barn 5400 is home to a wide array of small businesses, including a coffee roastery, farm and garden supply shop, a ceramics studio and school, a local farmer-owned produce co-op, and several artists and makers who contribute to the creative and agricultural fabric of our region. By annexing this property, you will be supporting an ecosystem of local commerce that enriches Petaluma's culture, economy, and sustainability.

The annexation will allow these businesses to fully operate within the city, contributing to Petaluma's economy through sales tax revenue and licensing fees. In return, residents will continue to benefit from having access to an incredible array of goods and services in one location—everything from local produce and handmade ceramics to garden supplies and art. This collective space fosters collaboration among small businesses and offers the community a unique hub for shopping, learning, and gathering.

Furthermore, Barn 5400 is not just a place of commerce, it's a community gathering space where events are hosted, partnerships are formed, and local makers are given opportunities to thrive. By approving this zoning amendment, you are supporting the growth of small businesses that are rooted in values of sustainability, creativity, and community.

I strongly urge the council to approve this annexation and support the growth of these local businesses to continue to flourish and serve the residents of Petaluma. The Barn 5400 community is a perfect fit for our city, and I look forward to seeing it become an even more integral part of our shared future.

Thank you,
Marisa Williams

Dear Members of the Petaluma City Council,

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely,
Marissa
