**Special Quote Conditions:**

More information on CPE250 stations found here: <https://www.chargepoint.com/businesses/dc-stations/express>

Add freight

3-4 week lead time

**CPE250C-625-CCS1-200A-CHD**

ChargePoint Express 250 Station (62.5 kW) - includes Express 250 Station, 2x Power Modules, 1x CCS1 200A cable, 1x CHAdeMO cable, North America Modem/SIM, cUL and UL listed, requires CPE250-CMT-IMPERIAL in US, CPE250-CMT-METRIC in Canada. CPE250-CMT-IMPERIAL/METRIC not included.

**CPE250-COMMISSIONING**

This service includes on-site validation of electrical capacity, customer-side transformers, panels, breakers, wiring, cellular coverage so that the station meets all ChargePoint and local code requirements. In addition to verifying and testing the installation, Commissioning also ensures the station is connected to the ChargePoint network, completing software updates and pairing configuration if applicable.

In parallel, the ChargePoint Activations team will configure the station and apply policies according to the customer's specifications. A final Commissioning Report will be provided to the customer. Note that if Commissioning cannot be performed due to site or installation deficiencies for which ChargePoint is not responsible, the customer will incur a rescheduling fee to cover redeployment costs. Priced per Express CPE250 station.

**CPE250-ASSURE-1**

1 prepaid year of ChargePoint Assure for CPE250 stations. Includes Parts and Labor Warranty, Remote Technical Support, On-Site Repairs when needed, Unlimited Configuration Changes, and Reporting.

**CPCLD-ENTERPRISE-DC-1**

Enterprise Cloud Plan subscription with advanced station management features such as: Custom Video uploads, and Automatic Software Updates, driver and fleet management features including: Access Control and Pricing & Automatic Payment Collection, as well as advanced energy and power management features which include: Time of Use Power Sharing and Energy Management APIs. Real-time dashboards and reports provided for applicable features including 15 min meter data readings and associated advanced energy reports.

**CPSUPPORT-ACTIVE**

Initial Station Activation & Configuration Service includes activation of cloud services and configuration of radio groups, custom groups, connections, access control, visibility control, pricing, reports and alerts. One time initial service per station.

\*Commercial Application

\*Pedestal and chargers ship in 3-4 weeks ETA. Before install station ADMIN needs set up (Supplemental form needs completed and sent to Chargepoint)

\*All Installers need to take 90 minute Installer training course prior to install

\*UTILITY INCENTIVES possibly available-subject to current offers

Prices are subject to change at any time prior to shipment unless agreed to otherwise in writing signed by an authorized Seller representative. Orders related to this quotation must be received, accepted and released by Seller within 48 hours of issuance of the quotation and are subject to availability. Many of Seller's manufacturing partners have advised that until further notice they reserve the right to amend the delivery date, price, scope and quantity of supply and/or other terms and conditions set out in their offer or quotation and Seller equally reserves the right to pass through any such changes from its manufacturing partners to the Buyer. Delivery dates are estimated only. Seller shall not be liable for failure to meet such dates resulting from product shortages or manufacturing delays. Be advised that Seller considers any changes imposed by its manufacturing partners and other vendors outside of Seller's reasonable control and therefore subject to Force Majeure provisions or similar common law doctrines such as "frustration" or "impossibility".

Seller's Standard Terms and Conditions of Sale are incorporated by reference into this quotation. A copy of the most current version of Seller's Standard Terms and Conditions of Sale is available at. <https://www.rexelusa.com/terms>
