Dear Petaluma City Council,

I am a longstanding resident of Petaluma and I am writing to express my deep concern regarding the current state of the Trestle. The Trestle is a bridge between our past and future. I implore the City Council to allocate full funding for the rehabilitation of the Trestle within this year.

Preserving this iconic structure ensures that future generations can appreciate the beauty and historical significance that the Trestle brings to Petaluma. The project is supported by many River related organizations in Petaluma. Your commitment to this cause will undoubtedly leave a lasting legacy for our beloved town.

Thank you for your time and consideration.

Sincerely,

Louise Benanti

Dear Members of the Petaluma City Council,

I am writing to you as a concerned member of the Petaluma Woman's Club to bring to your attention the pressing matter of the deteriorating Petaluma Trestle. As a significant historical landmark in our beloved city, the Petaluma Trestle not only holds cultural and sentimental value but also plays a crucial role in connecting our community. Unfortunately, over time, the trestle has fallen into a state of disrepair, when it could be a balcony to our river.

We, the members of the Petaluma Woman's Club, are urging the City Council to, not only prioritize the rehabilitation of the Petaluma Trestle and allocate necessary funding within the current year. The restoration of this iconic structure is not only a matter of preserving our local history but also ensuring the safety and well-being of our residents. A fully rehabilitated, pedestrian friendly Petaluma Trestle will not only enhance the aesthetic appeal of our community but also serve as a symbol of our commitment to preserving our heritage for future generations.

We understand that the City Council faces various priorities and challenges, but we believe that investing in the rehabilitation of the Petaluma Trestle is a worthwhile endeavor that will benefit the entire community. We firmly request your support and collaboration in securing the necessary funds and expediting the restoration process. By doing so, we can ensure the continued vitality and beauty of Petaluma while safeguarding a piece of our shared history.

Thank you for your time and consideration. We look forward to working together to preserve the Petaluma Trestle for the benefit of current and future generations.

Sincerely,

A handwritten signature in dark ink, reading "Dr. Julie R. Crane". The signature is written in a cursive, flowing style. The "Dr." is written in a smaller, more formal script, while "Julie R. Crane" is written in a larger, more expressive cursive.

As a longstanding resident of Petaluma and a witness to the rich history our town holds, I am writing to express my deep concern regarding the current state of the Trestle. The charm and significance of this historical landmark are invaluable to our community, serving as a bridge between our past and future. I implore the City Council to allocate full funding for the rehabilitation of the Trestle within this year.

Preserving this iconic structure not only honors our heritage but also ensures that future generations can appreciate the beauty and historical significance that the Trestle brings to Petaluma. Your commitment to this cause will undoubtedly leave a lasting legacy for our beloved town. Thank you for your time and consideration.

Sincerely,

Dear Members of the Petaluma City Council,

I am writing to you as a concerned member of the Petaluma Woman's Club to bring to your attention the pressing matter of the deteriorating Petaluma Trestle. As a significant historical landmark in our beloved city, the Petaluma Trestle not only holds cultural and sentimental value but also plays a crucial role in connecting our community. Unfortunately, over time, the trestle has fallen into a state of disrepair, when it could be a balcony to our river.

We, the members of the Petaluma Woman's Club, are urging the City Council to, not only prioritize the rehabilitation of the Petaluma Trestle and allocate necessary funding within the current year. The restoration of this iconic structure is not only a matter of preserving our local history but also ensuring the safety and well-being of our residents. A fully rehabilitated, pedestrian friendly Petaluma Trestle will not only enhance the aesthetic appeal of our community but also serve as a symbol of our commitment to preserving our heritage for future generations.

We understand that the City Council faces various priorities and challenges, but we believe that investing in the rehabilitation of the Petaluma Trestle is a worthwhile endeavor that will benefit the entire community. We firmly request your support and collaboration in securing the necessary funds and expediting the restoration process. By doing so, we can ensure the continued vitality and beauty of Petaluma while safeguarding a piece of our shared history.

Thank you for your time and consideration. We look forward to working together to preserve the Petaluma Trestle for the benefit of current and future generations.

Sincerely,
