Assembly Bill No. 4

CHAPTER 570

An act to add Chapter 17.1 (commencing with Section 7282) to Division 7 of Title 1 of the Government Code, relating to state government.

[Approved by Governor October 05, 2013. Filed with Secretary of State October 05, 2013.]

LEGISLATIVE COUNSEL'S DIGEST

AB 4, Ammiano. State government: federal immigration policy enforcement.

Existing federal law authorizes any authorized immigration officer to issue an immigration detainer that serves to advise another law enforcement agency that the federal department seeks custody of an alien presently in the custody of that agency, for the purpose of arresting and removing the alien. Existing federal law provides that the detainer is a request that the agency advise the department, prior to release of the alien, in order for the department to arrange to assume custody in situations when gaining immediate physical custody is either impracticable or impossible.

This bill would prohibit a law enforcement official, as defined, from detaining an individual on the basis of a United States Immigration and Customs Enforcement hold after that individual becomes eligible for release from custody, unless, at the time that the individual becomes eligible for release from custody, certain conditions are met, including, among other things, that the individual has been convicted of specified crimes.

BILL TEXT

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1.

The Legislature finds and declares all of the following:

(a) The United States Immigration and Customs Enforcement's (ICE) Secure Communities program shifts the burden of federal civil immigration enforcement onto local law enforcement. To operate the Secure Communities program, ICE relies on voluntary requests, known as ICE holds or detainers, to local law enforcement to hold individuals in local jails for additional time beyond when they would be eligible for release in a criminal matter.

(b) State and local law enforcement agencies are not reimbursed by the federal government for the full cost of responding to a detainer, which can include, but is not limited to, extended detention time and the administrative costs of tracking and responding to detainers.

(c) Unlike criminal detainers, which are supported by a warrant and require probable cause, there is no requirement for a warrant and no established standard of proof, such as reasonable suspicion or probable cause, for issuing an ICE detainer request. Immigration detainers have erroneously been placed on United States citizens, as well as immigrants who are not deportable.

(d) The Secure Communities program and immigration detainers harm community policing efforts because immigrant residents who are victims of or witnesses to crime, including domestic violence, are less likely to

report crime or cooperate with law enforcement when any contact with law enforcement could result in deportation. The program can result in a person being held and transferred into immigration detention without regard to whether the arrest is the result of a mistake, or merely a routine practice of questioning individuals involved in a dispute without pressing charges. Victims or witnesses to crimes may otherwise have recourse to lawful status (such as U-visas or T-visas) that detention resulting from the Secure Communities program obstructs.

(e) It is the intent of the Legislature that this act shall not be construed as providing, expanding, or ratifying the legal authority for any state or local law enforcement agency to detain an individual on an immigration hold.

SEC. 2.

Chapter 17.1 (commencing with Section 7282) is added to Division 7 of Title 1 of the Government Code, to read:
