Dear Mayor and council members: Am not in favor of expanding this within Petaluma or nearby. We have enough issues with the shelterless, drug and alcohol addiction, the cost of housing, and on and on. Thanks for your thoughtful consideration and service to the community. Blessings, John Richards, [REDACTED]

Dear Mayor McDonnell and City Councilmembers:

The Petaluma Area Chamber of Commerce, after consideration by its Government Affairs Committee, recommends that the City adopt its proposed ordinance to create a new Chapter 6.10 of the Petaluma Municipal Code Entitled "Cannabis Sales" which will allow for the continuation of existing Commercial Cannabis Regulations and allow up to three retail storefront cannabis businesses in Business Park and Industrial Districts in Petaluma.

The Chamber also supports the City's continued assessment of additional retail storefront cannabis businesses within the City which appropriately takes into account the unique issues created by this specific product. The Chamber looks forward to working with the City to define appropriate criteria and boundaries for any such expansion of retail cannabis storefronts.

Yours Truly,
