Dear Members of the Petaluma City Council,

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

*Sincerely,
Cait*

> Dear Members of the Petaluma City Council,

>

> As a loyal customer of the businesses at Barn 5400, I am writing to ask for your support in approving the zoning amendment and annexation of this property to the city of Petaluma.

>

> Barn 5400 is home to a wide array of small businesses, including a coffee roastery, farm and garden supply shop, a ceramics studio and school, a local farmer-owned produce co-op, and several artists and makers who contribute to the creative and agricultural fabric of our region. By annexing this property, you will be supporting an ecosystem of local commerce that enriches Petaluma's culture, economy, and sustainability.

>

> The annexation will allow these businesses to fully operate within the city, contributing to Petaluma's economy through sales tax revenue and licensing fees. In return, residents will continue to benefit from having access to an incredible array of goods and services in one location—everything from local produce and handmade ceramics to garden supplies and art. This collective space fosters collaboration among small businesses and offers the community a unique hub for shopping, learning, and gathering.

>

> Furthermore, Barn 5400 is not just a place of commerce, it's a community gathering space where events are hosted, partnerships are formed, and local makers are given opportunities to thrive. By approving this zoning amendment, you are supporting the growth of small businesses that are rooted in values of sustainability, creativity, and community.

>

> I strongly urge the council to approve this annexation and help these local businesses continue to flourish and serve the residents of Petaluma. The Barn 5400 community is a perfect fit for our city, and I look forward to seeing it become an even more integral part of our shared future.

>

> Thank you for your consideration.

>

> Sincerely,

Candace Birchfield

Dear Members of the Petaluma City Council,

As a patron of Retrograde Roasters, I urge you to approve the zoning amendment and annexation of Barn 5400 to the City of Petaluma. Their quaint coffeeshop in Sebastopol is a gem, and to have another attached to their roastery would only be a benefit to the community. Their coffees are unique and outstanding, and the welcoming atmosphere they cultivate simply brings more good into this world.

In the Bay Area, we suffer from the decay of communities when there are no anchors - the places for people to gather and enjoy; the places that enrich our lives; the places that strengthen the foundation of a community. It is the duty of local governments to help small, family run businesses sustain and grow, especially in an economic climate when so many have been forced to shut down.

Please help Retrograde Roasters continue to thrive and support the community they've been a part of for so many years.

Thank you for your consideration.

Sincerely,

Chelsea Fordiani

Dear Members of the Petaluma City Council,

I am a huge supporter of Retrograde Coffee Roasters. I have been a long time customer and am so impressed with the amazing community space they have built. They are a vibrant, community-oriented small business that any town would be proud to have in their community. As a fellow small business owner, I have been so impressed with how Danielle and Casey have grown their business while maintaining the quality of their amazing cafe. I strongly urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. From what I understand, this decision is essential for them to open a cafe where they already roast their coffee. This will bring meaningful benefits to the Petaluma community, economic and otherwise.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Best Regards, Eli Melrod

Dear Members of the Petaluma City Council,

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely,

Elizabeth
