Dear Members of the Petaluma City Council,

As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.

Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely,

Aimée Williams

Hello and good afternoon,

I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. Retrograde is a fantastic business and an amazing addition to that part of town. Retrograde being in that location provides much needed vitality to the area and is one of my favorite places to visit. I don't think we should let a small administrative matter stand in the way of a great local business developing and growing stronger.

Please approve the annexation of Barn 5400

Sincerely

Alex Golden

To the Petaluma City Council,

We are frequent customers of Retrograde Coffee Roasters in Sebastopol, and frequent visitors to Petaluma. We urge you to approve the annexation of Barn 5400 to the City of Petaluma. This would allow frequent visitors like us to patronize Retrograde in Petaluma and thereby contribute directly to Petaluma's economy through sales tax revenue.

Retrograde would be a wonderful addition to the North East Petaluma economy and business community.

We appreciate your thoughtful consideration of this action. Thanks so much.

City Clerk  
Petaluma

Dear Public Employee:

I honor your service ... please know that I retired several years ago after 36 years as a public employee.

I raise this personal detail because I believe people and businesses who thrive on serving the public have a special understanding of communities and connections that are meaningful. They make it their mission to raise the overall spirit of the place in which they live and work ... in both good and challenging times. I feel Retrograde Coffee is such a business.

We've been through fires and evacuations and pandemic. This is a business with an ethic to serve and connect people through really difficult times. Petaluma will be well served by your support of this gathering place and this business and they will bring a positive engagement in all that they create. I'm including the attached letter because I want to make sure all the particular references to the project and the permit are correct. Additionally, I believe this is a very well written letter.

The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.

One of the things I love most about Retrograde is their dedication to the community. They sponsor local sports teams, non-profits, schools, and events in Sebastopol, and they frequently partner with artists and makers to host pop-up events that benefit small businesses. This same community-first approach will enhance Petaluma, providing a much-needed gathering place for residents to meet, enjoy great coffee, and support local artisans.

By approving this annexation, you're not just supporting a business, you're creating a space for people to connect, share, and grow together. As a customer, I am eager to see this coffee shop become a part of Petaluma's vibrant culture and economy, and I believe it will be an asset to the city.

Thank you for considering this important request. Please help make Barn 5400 a place where the Petaluma community can gather, enjoy, and thrive.

Sincerely  
Ben McCormack

Dear Members of the Petaluma City Council,

*As a proud supporter and frequent customer of Retrograde Coffee Roasters, I am writing to urge you to approve the zoning amendment and annexation of Barn 5400 to the city of Petaluma. This decision is essential for allowing the team to open a coffee shop in the same space where their coffee is roasted, and it will bring countless benefits to the community.*

*Annexing Barn 5400 will help local businesses like Retrograde contribute directly to Petaluma's economy through sales tax revenues and required operating licenses. These contributions are crucial for supporting local services and improving the quality of life for residents. The annexation will also allow them to bring their incredible coffee experience into our city, connecting the roastery and café in one unique, community-centered location.*

Petaluma City Council-

This letter is in support of annexing the property of Barn 5400 into city limits. As a member of Kickwheel Sonoma at Barn 5400 and as a patron of FEED Sonoma and Harmony Farm supply, I wholly believe that annexation would be great for the Petaluma.

Barn 5400 is a vibrant community that would benefit from city services, and in turn would add to city taxes and overall sense of community.

Please vote "yes" and allow the annexation of Barn 5400.  
Anne Smith
