Hello--

- I love Live Oak Charter School because it offers my child an educational environment in which she is thriving. She is doing well along standard academic lines, and she is also benefitting from a curriculum that includes emphasis on art, music, practical arts and handwork, and performing arts. The community of the school is cohesive and supportive, which means our whole family benefits from Live Oak.
- I love that Live Oak is at the fairgrounds because it is centrally located. It is convenient for families from all parts of our city. Being located at the fairgrounds creates opportunity for dialogue between our school and the other fairgrounds businesses and activities. This dialogue creates a sense of the interrelatedness that enhances the concept of community we are instilling in our children.
- The changes that I really want to see happen at Live Oak's facilities are improvements to the school buildings, which are temporary buildings in need of repair. I would love to see an emphasis on sustainability and an appreciation for local natural beauty to be reflected in any improvements.

Best,

Lisa Blades

(Live Oak Charter School parent of a 4th grader who has been attending since TK.)
