Dear City Council,

My husband and I want to express how we feel about having our son who is in TK at Live Oak. My husband and I had dreamt about living in Petaluma for many years, back in 2015 the housing market was out of control as we were looking in to buying in Petaluma. Due to the house market competition we ended up buying in Santa Rosa with having Petaluma being in our hearts to raise our future children. We eventually were able to sell our home in Santa Rosa and bought in Petaluma back in 2019. Our son just started TK at Live Oak Charter School. My husband and I invested many months into searching for the right school for our son to attend. We came across Live Oak and we absolutely fell in love with it and specially the idea of having our son develop long term stability and future life long friendships. We love the fact that the school is in the heart of Petaluma. The school has an amazing community and it breaks our hearts to even contemplate the idea of the school having to relocate. If The school stays in its current location, we would like to have management to run sweep over the school grounds after events are held in the area.

My husband and I look forward for our son to spend TK-8 grade at Live Oak without having to relocate since it is in a perfect location for us and the community of Petaluma.

Thank you for your consideration

Sincerely,

Nereida Hernandez
&
John Llewellyn
