

# SRJC 12-Inch Water Main and Maria-Leghorn Recycled Water Main Extension C67502123 and C66501834

**\$1.27M** Funded through Water Capital.  
**Construction:** 7/13/2021 to 10/31/2022

## Project Description:

The project includes installation of a new 12-inch water main for improved resiliency and reliability of the water distribution system and installation of a new 12-inch recycled water main to expand the City's recycled water system and offset potable water demand.

## Project Team:

- Dan Herrera, Deputy Director of Operations
- George Howard, Assistant Civil Engineer
- Mario Traverso, Assistant Civil Engineer
- Michael Paul, Contractor, Michael Paul Company
