Lil Tokyo Reporter... Todays True Story "Trafficking Asian Women & children" for Sex trades & Labor which includes Heroin, Exotic animals & meatfiller...

SF Bay Area BLACK HEROES and ASIAN Heroes have verified the following information of Oakland Port...

Two former Border & Customs agents ( 1 Black 1 Asian) stated it is common knowledge of the ongoing Human Trafficking on the Oakland Port...that Longshoremen are ONLY permitted to INSPECT 4 out of every 100 Shipping containers AND there is a Special Dock area where NO ONE ever checks the "Special Diplomatic Status Containers" usually filled w human cargo and such....

Two Black Longshoremen confided in me months ago that the only way to stop this "Protected Racket" of jerry brown & Feinstein is to FREEZEFRAME the PORT by FREEDOM STRIKE and COMMAND Law Enforcement to OPEN all CONTAINERS on the SPOT.... Courts & lawyers will NEVER...

Most law Enforcement & Dock Workers are good HONEST people..... YET there clearly be a Strong Collusive factor between some "power" on the Port w same in Law Enforcement and the TONG.....Everyone else falls in line behind knowing that do speak out or ACT earns them a Death Sentence or Firing as disclosed in documents by ... Please see:"Detective James Rothstein Human Compromise" This is ABSOLUTELY Why Mayor Lee & Jeff Adachi were murdered by psychotronic Heart Exploding Devices & Senator Leland Yee & Shrimp Boy Chow were both FALSELY sent to prison for working w Oakland Police Chief Ann Kirkpatrick.....
