Holy Days Musikal "CASTANETS" w Mike Healy....

Petaluma City Council's Mike Healy gets Musikal this Holy Day Season for Cause Most serious Reason "Castanets" In our last story lest we Forget, Mike healy strongly suggested you watch "The Devil's Advocate"...

So as to comprehend BAR Lawyers purpose & reason.... To be Certain we look behind the Curtain.... To evidence w/o hesitance the BAR Association participation w SEDITION so too TREASON.... Is this the Nature of this SEASON ??

Some might say BAR Association lawyers be a genuine cancer... and what Shakespeare said of lawyers being the answer....Others might take an opposite view of those serving Mammon,,, as BAR lawyers are simply feeding off the rotting carcass of a Publick serving Satan's Backgammon

And yes of Course Satan ain't hatin yet playing Santa

Many rightfully hate lawyers & would be even more pissed.... To find out the California BAR does not even exist..... As they never consummated their own Articles of Incorporation back in 1951, therefore these corrupt judges have no true basis for their Station... everyone Please Rise, oh fuck you!

So Mike Healy has been practicing on the CASTANETS..... for in standing before St Peter he seeks to be free of all Regrets
