Dear City Council,

Please appoint the following strongly committed citizens to GPAC:

1. Hal Bohner
2. John Hanania
3. Lizzie Wallack
4. Ron Chestnut
5. Sue Kirks

We need GPAC members who have shown they care about our community and demonstrated it with action. These individuals have the strongest set of expertise and commitment.

Citizens are who the General Plan belongs to. We are paying for it. Citizens want our representatives to keep GPAC strong by appointing the demonstrated best people.

Thank you,
Taryn
