City Council members –

I am writing to urge you to appoint Elda Vazquez Izaguirre to GPAC. She would be a great representative of Petalumans as a mother, immigrant, and member of this community for the past 25 years. We need more community voices like hers who have been a renter and now a homeowner in the city that we love and are planning for the future of generations to come. Please carefully read her application. You have the opportunity to appoint a great woman who cares about her community and understands the necessity of this work for the future of our community.

**Best regards,**

**Iliana Madrigal, MPA (ella/she)**
