Dear City Council Members,

We've lived in Petaluma for over thirty years. We are very concerned for the future of this city.

We are asking that you will put on the GPAC the most qualified people; folks that have a heart for Petaluma.

We urge you to appoint Brent Newell and Hal Bohner. We don't need or want a real estate developer or others who may have monetary interests in participating on the committee.

Please lets think carefully about who will care about our families living in Petaluma and appoint those folks.

Thank you.

Wayne & Wanda O'Leary
