Dear Honorable Mayor McDonnell and Council members,

I strongly urge the City Council to listen to its community and put an end to the Residential Tenancy Ordinance.

This anti-housing law makes it nearly impossible to maintain rental properties, protect my residents, and make necessary improvements to older rental homes.

As an ethical housing provider, I am proud to provide homes for local families and work closely with my residents to meet their needs. The notion that I need new, strict rental housing regulations is beyond comprehension. There is no need to add layers of regulations and bureaucracy to California's existing Tenant Protection Act (AB 1482). Your proposal only causes further confusion and harm to all members of the community.

Sincerely,

Susan Ryan  
Property Manager
