To the Members of the Petaluma City Council:

Please vote YES on the Scott Ranch Plan!

As a writer, I've worked remotely for years and I find myself in Putnam almost daily, whether it's hiking with my dogs or riding my bike for a midday, clear-the-head ride. It's a beautiful spot, and one that encapsulates what makes Petaluma special - those iconic, wide, expansive rolling hills dotted here and there with farm buildings. The only drawback about Putnam is it's not nearly big enough to contain the energy that is Petaluma. This expansion is a step in the right direction.

Sincerely,

Jacqueline Judge
