Please vote YES on the Scott Ranch Plan!

We have lived in Petaluma for 45 years and can see Helen Putnam Park from the front window of our home. We are excited to have an easier access to the Park, including preservation of the barns and habitat enhancements. The new Windsor Drive & D Street Roundabout is a huge gift, especially to increase safety and decrease speed of traffic in this area. We applaud the "green" housing plan, and particularly the chance to expand a public park at no cost to the City of Petaluma.

Most sincerely,
