Mayor and Councilmembers,

Please vote yes on the Scott Ranch Plan before you tonight.

This project will significantly expand park space and park access in Petaluma, adding 47 acres to Helen Putnam Park and improving bike/ped infrastructure to help more people get to the park without vehicles.

The current version of the project reflects a compromise reached through many years of negotiation. It will add needed, environmentally friendly housing while preserving sensitive habitat.

As a lifelong local resident, I hope the City Council will take this excellent opportunity to increase housing, park space, and bike/ped infrastructure in Petaluma.

Sincerely,
Phoebe Goulden
