Dear Mayor and City Council Members,

I am writing to voice my support for the Scott Ranch development. As a lifetime and third generation Petaluma resident, I feel incredibly lucky to have Helen Putnam Park in my backyard. I look forward to the additional 40 plus acres to add to this jewel of Petaluma. I feel the developer has done much to mitigate the impact of the housing development in that area. I believe the added benefit to the park far outweighs any negative attributes to building 40 plus some homes at D Street Extension.

I hope you all vote in favor of this very significant contribution to Helen Putnam Park.

Sincerely,

Lori Lafranchi
