Good morning,

Please remove the first reading of the ordinance regarding tenant protections from the tentative agenda for March 20th. First, that does not provide enough time for City Staff to draft a proposed ordinance. Second, the ordinance does not sunset until July 1, so there is time. Third, it is my understanding that not all Councilmembers will be present on the 20th, and to have the reading that day could artificially impact the outcome of important legislation. Thank you.
