Subject: Proposed Hotel Weaver

Good morning:

I am writing to you because I will not be able to attend tonight's meeting regarding the proposed hotel at the corner of B Street and Petaluma Blvd (Hotel Weaver).

The traffic downtown is already up to capacity, and this will only make it worse. I raised my daughter in this beautiful town, and we have been residents for 27 years, living on 6th & B Street for the last 19 years (which in and of itself is already used as a thoroughfare).

I do not like the design at all. After seeing the pictures of what this hotel would look like, it would be a monstrosity in the heart of our beautiful, beloved historical downtown Petaluma. It looks like it has been shoved into a small corner space and so cramped looking towering next to Rex Hardware and all other buildings downtown, not to mention the view it blocks.

I do not think Petaluma needs another hotel. Since the Hampton Inn was opened on Lakeville, I have never seen it at full capacity, but at least it's in a location removed from downtown.

I ditto all concerns you have received from the citizens of Petaluma.

Thank you.
