Dear Mayor McDonnell

My name is Laurie Schroeder and
I have Autism and physical disabilities.
You have 12 questions on your computer
which I hope you and your council
members can answer them. Toni Terry
lives a Vintage Chateau ^{on Nelson Meadows Blvd} wants me
to say this. also she was getting run
over in the parking lot behind CBS. You
need to put a pedestrian crossing sign
ahead or put a speed limit or slow down
for pedestrian. They need a small dog park.

Please let me know the answer for
that question also, plus my 12 questions.
I got
100 signatures Thank you
for a dog park.
