WHEREAS, the Parties enter into this Agreement for the purpose of Contractor providing professional services to City under the terms and conditions set forth herein.

THEREFORE, in consideration of the mutual covenants contained in this Agreement, the Parties agree as follows:

1. **Services.**

Contractor shall provide the services as described in and in accordance with the schedule set forth in Exhibit “A” attached hereto and incorporated herein (“Services”). Except as otherwise expressly provided in this Agreement, this Agreement does not authorize the Contractor to perform any services in addition to those specified in Exhibit A. The City has no obligation to award any additional Services to the Contractor. Any additional Services awarded to the Contractor pursuant to this Agreement will be in the sole discretion of authorized representatives of the City and shall be added to Exhibit A in accordance with Section 25, Amendment, of this Agreement.

2. **Compensation; Business Tax Certificate.**

- A. For the full performance of the Services as described herein, City shall compensate Contractor in accordance with the rates specified in Exhibit A.
- B. Contractor shall submit detailed monthly invoices reflecting all services performed during the preceding month and including a revised schedule for performance and additional documentation requested by City, as applicable.
- C. Contractor shall be compensated for services in addition to those described in Exhibit A, only if Contractor and City execute a written amendment to this Agreement describing the additional services to be performed and the compensation to be paid for such services. In no case shall the total compensation under this Agreement exceed \$\$750,000 without prior written authorization of the City Manager. Further, no compensation for a section or work program component attached with a specific budget shall be exceeded without prior written authorization of the City Manager.

- D. Notwithstanding any provision herein, Contractor shall not be paid any compensation until such time as Contractor has on file with the City Finance Department a current W-9 form available from the IRS website (www.irs.gov) and has obtained a currently valid Petaluma business tax certificate.
- E. City's obligation to pay compensation to Contractor as provided herein is contingent upon Contractor's performance of the Services pursuant to the terms and conditions of this Agreement and any amendments thereto.
3. **Term.** The term of this Agreement commences on the Effective Date and terminates on July 1, 2026, unless sooner terminated in accordance with Section 4. Upon termination, any and all of City's documents or materials provided to Contractor and any and all of the documents or materials prepared for City or relating to the performance of the Services, shall be delivered to the City as soon as possible, but not later than fourteen (14) days after termination of the Agreement.
4. **Termination.** City may terminate this Agreement without cause upon ten (10) days' written notice. City may immediately terminate or suspend this Agreement for cause. Cause for immediate termination or suspension shall include, but not be limited to, any breach of this Agreement by Contractor or Contractor's bankruptcy or insolvency. Upon receipt of notice of termination or suspension for cause, Contractor shall immediately stop all work in progress under this Agreement. In the event of early termination of this Agreement by City, Contractor shall be entitled to payment for all Services performed to the date of termination to the extent such Services were performed to the satisfaction of City in accordance with the terms and conditions of this Agreement. If City terminates this Agreement for cause, Contractor shall be liable to City for any excess cost City incurs for completion of the Services.
5. **Contractor's Representation; Independent Contractor.** Contractor represents that Contractor possesses distinct professional skills in performing the Services. City has relied upon said representation as a material inducement to enter into this Agreement. Contractor shall, therefore, provide properly skilled professional and technical personnel to perform all Services under this Agreement. It is expressly understood that Contractor and its agents and employees, shall act in an independent capacity and as an independent contractor and not as officers, employees or agents of City. This Agreement shall not be construed as an agreement for employment.
6. **Facilities and Equipment.** Contractor shall, at its sole cost and expense, furnish all facilities and equipment that may be required for furnishing Services pursuant to this Agreement. City shall furnish to Contractor no facilities or equipment, unless the City otherwise agrees in writing to provide the same.
7. **Licenses, Permits, Etc.** Contractor shall, at Contractor's sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits or other such approvals which are legally required for performing the Services.
8. **Time.** Contractor shall devote such time to the performance of the Services as may be reasonably necessary for satisfactory performance of Contractor's obligations pursuant to this Agreement.

9. **Inspection.** Contractor shall provide the City every reasonable opportunity to ascertain that the Services are being performed in accordance with the requirements and intentions of this Agreement. All work done, and materials furnished, if any, shall be subject to inspection and approval by the City. The inspection of such work shall not relieve Contractor of any of its obligations pursuant to this Agreement.
10. **Progress Reports.** Upon the City's request, Contractor shall provide, in a form acceptable to City, written progress reports of all oral and written observations, opinions, recommendations, analyses, progress and conclusions related to Contractor's performance of the Services.
11. **Confidentiality.** In the course of Contractor's employment, Contractor may have access to trade secrets and confidential information, disclosure of which is protected or limited by law. Contractor shall not directly or indirectly disclose or use any such confidential information, except as required for the performance of the Services.
12. **Conflict of Interest.**
 - A. Contractor represents that it presently has no interest, and covenants that it shall not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the Services hereunder. Contractor further covenants that, in the performance of this Agreement, it shall not employ any subcontractor or person having such a conflict of interest. Contractor represents that no one who has or will have any financial interest under the Agreement is an officer or employee of City. If such conflict of interest arises during this Agreement or any extension, Contractor will immediately advise City and City may, at its sole discretion, immediately terminate this Agreement. Certain Contractors are subject to the requirements, including the disclosure and reporting requirements, of the City's Conflict of Interest Code adopted pursuant to the Political Reform Act. Such Contractors subject to the City's Conflict of Interest Code include those whose work may involve: making government decisions regarding approval or adoption of rates, rules, or regulations, action on permits or other applications, authorization to enter into or modify contracts, or approval of plans, designs, reports, or studies. Contractor agrees to comply fully with all such requirements to the extent they apply to Contractor's performance of the Services.
 - B. Certain contractors, in addition to being subject to the City's Conflict of Interest Code, may be subject to other conflict of interest prohibitions, including those in the Political Reform Act, Government Code Section 81000 and following, and Section 1090 and following of the Government Code. The Political Reform Act prohibits public officials, employees and certain contractors from participating in making governmental decisions that the official, employee or consultant knows or has reason to know will result in a material financial effect on their economic interests. Government Code Section 1090 and following prohibits government officials, employees, and certain contractors from participating in making government contracts in which the official, employee or contractor has a financial interest. As a result of the financial interest City contractors have in their City contracts, the Section 1090 prohibition regarding City contractors focuses on whether a contractor is or would be "making a government contract" in a quasi-governmental capacity for purposes of Section 1090. Section 1090 prohibits City contractors from using their

role as a contractor to influence how the City spends the public's funds in a way that benefits the contractor. As a result, Section 1090 may in certain circumstances prohibit the Contractor from responding to solicitations for, or being awarded, subsequent contracts that result from or relate to the Services performed pursuant to this Agreement. . Penalties for violating Section 1090 are severe, and may include felony criminal penalties, permanent disqualification from holding public office in California, disgorgement of any benefit received by the financially interested contractor, civil and administrative penalties, and voiding of the prohibited contract.

13. **Contractor No Agent.**

Except as the City may otherwise expressly specify in writing, the Contractor shall have no authority, express or implied, to act or transact on behalf of City in any capacity whatsoever, including advising or representing the City concerning City public contracts as an agent of the City. Contractor shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.

14. **Standard of Performance.** Contractor shall perform all the Services in a manner consistent with the standards of Contractor's profession. All instruments of service of whatsoever nature, which Contractor delivers to City pursuant to this Agreement, shall be prepared in a substantial, workmanlike manner and conform to the standards of Contractor's profession. All such instruments of service shall become the sole and exclusive property of City upon delivery of the same.

15. **Assignment/Transfer.** No assignment or transfer in whole or in part of this Agreement shall be made without the prior written consent of City.

16. **Subcontractors.** Contractor shall directly perform all Services, and shall not subcontract any portion of performance of the Services without the prior written consent of City. Any such subcontractors shall be required to comply, to the full extent applicable, with the terms and conditions of this Agreement, including but not limited to, procuring and maintaining insurance coverage as required herein and which shall name City as an additional insured.

17. **Compliance With All Laws.** Contractor shall fully comply with all applicable local, state and federal rules, laws, regulations and ordinances pertaining to the performance of the Services required hereunder, including but not limited to, the California Building Standards Code as in effect in the City, the Americans with Disabilities Act, and any laws and regulations related to any copyright, patent, trademark or other intellectual property right involved in performance of the Services. Contractor's failure to comply with any law(s) or regulation(s) applicable to the performance of the Services hereunder shall constitute a material breach of this Agreement. To the extent that any other government agency or entity provides compensation for any Services, Contractor shall comply with all rules and regulations applicable to such fiscal assistance.

18. **Living Wage Ordinance.** Without limiting the foregoing Section 17, Contractor shall comply fully with all applicable requirements of Petaluma Municipal Code, Chapter 8.36, Living Wage (the "Living Wage Ordinance"), as the same may be amended from time to time. Upon the City's request Contractor shall promptly provide to the City documents and information verifying Contractor's compliance with the requirements of the Living Wage Ordinance, and shall within fifteen (15) calendar days of the Effective Date of this

Agreement, notify each of its affected employees as to the amount of wages and time off that are required to be provided to them pursuant to the Living Wage Ordinance. The Acknowledgement and Certification Pursuant to City of Petaluma Living Wage Ordinance, attached to this Agreement as Exhibit C, shall be a part of this Agreement for all purposes, and Contractors that are subject to Living Wage Ordinance requirements, as determined by the City, must provide a properly completed Exhibit C in accordance with the requirements of the Living Wage Ordinance. Contractor's noncompliance with the applicable requirements of the Living Wage Ordinance shall constitute cause for City's termination of this Agreement pursuant to Section 4 hereof.

19. **Discrimination.** During the performance of this Agreement, Contractor shall not discriminate against any employee or applicant for employment because of race, religion, creed, color, national origin, ancestry, gender, sexual orientation, age or physical or mental disability in violation of any applicable law.
20. **Notice.** Except as otherwise specified in this Agreement, all notices to be sent pursuant to this Agreement shall be made in writing and sent to the Parties at their respective addresses specified below or to such other address as a Party may designate by written notice delivered to the other Party in accordance with this Section. All such notices shall be sent by:
