PREAMBLE

The City of Petaluma, hereinafter referred to as the “City” and the Petaluma Professional and Mid-Managers Association, hereinafter referred to as the “Association” have met and conferred in good faith regarding wages, hours, and other terms and conditions of employment for the employees in representation Units 4, 9, and 11, and have entered into this Memorandum of Understanding (MOU) pursuant to the provisions of the Meyers-Milias-Brown Act, Section 3500, *et seq* of the Government Code of the State of California.

The parties jointly agree to recommend to the City Council of the City of Petaluma the adoption of this Memorandum for the period commencing July 1, 2020 through June 30, 2026.

The Parties reached agreement on a consolidated MOU covering bargaining Units 4, 9, and 11 in the Spring of 2021 with the intention of maintaining the existing terms and conditions of employment contained in the individual bargaining unit MOUs. If the terms and conditions contained in the consolidated MOU differ from those established in one or more of the individual bargaining unit MOUs, the terms of the individual MOU(s) will prevail and the Parties will meet to correct the issue in the consolidated MOU. This Paragraph is intended only to cover the initial term of the consolidated MOU and will become ineffective on June 30, 2024.

SECTION 1 – TERM OF AGREEMENT

1.1 Effective Date

This Memorandum of Understanding (MOU) shall be effective for the period commencing July 1, 2020 and ending June 30, 2026.

1.2 Commencement of Negotiations

It is mutually agreed to begin the Meet and Confer process for a successor Memorandum of Understanding no later than three (3) months before the expiration of this MOU. The process may be initiated by either party through a written request to the other party to commence negotiations and the submittal of potential meeting dates.

SECTION 2 – GENERAL PROVISIONS

2.1 Recognition – Association Recognition

Subject to the statutory rights of self-representation under Government Code Section 3503, the Petaluma Professional and Mid-Managers Association is the recognized employee organization for those classifications listed in Exhibit "A – Salary Table."

2.2 Recognition – City Recognition

The Municipal Employee Relations Officer of the City of Petaluma, or any person or organization duly authorized by the Municipal Employee Relations Officer, is the representative of the City in employer-employee relations.

2.3 Compliance with Federal/State Laws

Should any provision of this MOU be rendered illegal or invalid by legislation, decree of a court of competent jurisdiction or other established government administrative tribunal or board, such invalidation shall not affect remaining portions of the MOU.

2.4 FLSA Distinction for Professional and Mid-Managers

This MOU covers multiple bargaining units, including both employees covered by the federal Fair Labor Standards Act (FLSA) (“Non-exempt” or “FLSA-non-exempt”) and employees who are exempt from the FLSA (“Exempt” or “FLSA-Exempt”). Historically, the term “Professional” employees is used to signify Non-exempt employees, while the term “Mid-Manager” is used to signify Exempt employees. This consolidated MOU generally does away with the Professional/Mid-Manager distinction in favor of the FLSA-based distinction.

Except as specifically provided in this MOU, exempt employees are paid on a salary basis and do not earn extra compensation based on hours worked, such as on call pay, call back pay, or overtime.

SECTION 3 – ASSOCIATION RIGHTS

3.1 Association Rights – Association Representatives

The City employees who are official representatives of the Association shall be given reasonable time off with pay to attend meetings with management representatives, investigate grievances, or be present at hearings where matters within the scope of representation or grievances are being considered.

- (A) The use of official time for this purpose shall be reasonable and shall not interfere with the performance of the City services as determined by the City.
- (B) Such employee representatives shall request time off from his/her respective supervisor and coordinate work schedules.
- (C) Except by mutual agreement, the number of employees excused for such purposes shall not exceed three (3) per affected bargaining unit. However, in order that any given department not be unduly burdened by the release time requirements, in no case shall more than one (1) representative from any particular job classification in the same department be allowed release time pursuant to this section at any given time. If two (2) or more employees request to be excused from any one department pursuant to this section, permission is subject to the approval of the Department Director or his/her designee.
- (D) No employee other than an official representative on release time pursuant to this provision shall attend to or conduct Association business while on duty, nor shall City equipment be utilized for such matters except as specifically authorized by this MOU.

3.2 Association Rights – Bulletin Boards

Authorized representatives of the Association shall be allowed to post Association notices on specified bulletin boards maintained on City premises.

3.3 Association Rights – Access to Work Location

Reasonable access to employee work locations shall be granted to officers of the Association and his/her officially designated representatives for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. Access shall be restricted so as not to interfere with the normal operation of the departments or with established safety or security requirements.

Solicitation of membership and activities concerned with the internal management of the Association, such as collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature, shall not be conducted during working hours.

3.4 Association Rights – Use of City Facilities

The Association or authorized representatives of the Association, may with the prior approval of the City, be granted the use of City facilities for meetings of the Association, provided space is available and subject to City operational requirements.

3.5 Association Rights – Advance Notice

Except in cases of declared emergencies, reasonable advance written notice shall be given to the Association of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council, and the Association shall be given the opportunity to meet and confer prior to adoption.

(A) In cases of emergency when the City Council determines that an ordinance, rule, resolution, or regulation within the scope of representation must be adopted immediately without prior notice or meeting and conferring with the Association, the City agrees to meet and confer within a reasonable and practical time after the termination of the emergency situation.

(B) During the course of such declared emergencies, the City shall have the sole discretion to act as may be required during the course of the emergency to ensure the provision of what it determines to be adequate and necessary public service, including, if necessary, the authority to temporarily suspend any provision of this MOU. Upon the termination of said emergency, the terms and conditions of the existing MOU will again become effective.

3.6 Association Rights – List of Employees

The City will notify the Association president of the new employee orientation for new employees as soon as possible. New employee orientation occurs as needed depending upon hire date instead of a regularly scheduled event. The City will provide the Association up to thirty (30) minutes of time at the end of the new employee orientation for the Association's representation of information to the employee(s). The City will provide the Association the required employee personal contact information: the name, home address, personal email address, and personal cell phone number. The new employee contact information will be provided to the Association within thirty (30) days after the represented new employee completes their new employee orientation. The City will provide the Association the personal contact information of all employees to the unions at least every one-hundred and twenty (120) days.

The City agrees to provide the name and new classification of those employees whose transfer or promotion places them into the PPMMA within two (2) weeks of their beginning appointment or employment with the City.

3.7 Association Rights – Discrimination, Harassment & Retaliation Prohibited

No employee, official or representative of this Association shall in any way suffer any type of discrimination in connection with continued employment, promotion, or otherwise by virtue of membership in or representation by the Bargaining Unit.

3.8 Association Rights – Political Activity

The political activity of PPMMA employees shall comply with pertinent provisions of State and Federal law.

3.9 Association Rights - Annual Actuarial Valuation

The City will provide PPMMA with a copy of the annual actuarial valuation provided by CalPERS and other relevant correspondence from CalPERS directly relating to the CalPERS contract covering members within ten (10) business days of receipt.

SECTION 4 – ASSOCIATION DUES DEDUCTIONS

4.1 Association Dues – Payroll Deductions

Payroll deduction for membership dues shall be granted by the City to the Association.

- (A) Payroll deductions shall be for a specified uniform amount between the employee and the Association and shall not include fines, fees, and/or assessments. Dues deductions shall be made only upon receiving certification from the Association of each employee's individual authorization.
- (B) Authorization, cancellation, or modifications of payroll deduction shall be made upon certification provided or approved by the Association.
- (C) Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds, at the address specified.
- (D) The employee's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that period.
- (E) In the case of an employee who is in a non-paid status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the Association dues deduction.
- (F) The Association shall indemnify, defend, and hold the City harmless against any claim made against the City and/or any lawsuit initiated against the City on account of Association payroll dues deductions made by the City consistent with Section 4, and any other payments to the Association consistent with this MOU.

SECTION 5 – MANAGEMENT RIGHTS

It is the right of the City to make decisions of a managerial or administrative character including: decisions on the type, extent, and standards of services performed; decisions on the methods, means, and personnel by which the City operations and services are to be conducted; and those necessary to exercise control over the City government operations in the most efficient and economical manner practicable and in the best interests of the City residents. All managerial functions and rights to which the City has not expressly modified or restricted by specific provision of this MOU shall remain with the City.

SECTION 6 - SALARIES

6.1 Salaries

Salary ranges shall be as specified in Exhibit “A.”

(A) Across-the-Board Cost of Living Increases

Effective the first full pay period in July 2020, all unit members shall receive a one-point five percent (1.5%) base wage increase.

Effective the first full pay period following July 1, 2021, all unit members shall receive a two percent (2.0%) base wage increase.

Effective the first full pay period following July 1, 2022, all unit members shall receive a two percent (2.0%) base wage increase.

Effective the first full pay period following July 1, 2023, all unit members shall receive a four percent (4.0%) base wage increase.

Effective the first full pay period following July 1, 2024, all unit members shall receive a three percent (3.0%) base wage increase.

Effective the first full pay period following July 1, 2025, all unit members shall receive a three percent (3.0%) base wage increase.

(B) Total Compensation Benchmark Study

The City will retain a consultant to complete a benchmark Total Compensation Survey with a target completion date of December 31, 2025. In or around October of 2025, the parties will meet with the City’s retained survey consultant and review the consultant’s recommended survey jurisdictions, benchmark classifications, and survey matches for the revised Total Compensation Survey.

The Parties intend the Total Compensation Survey to provide information to support consideration of market-based equity adjustments for individual classifications for successor MOU negotiations.

(C) Market-Based Equity Adjustments

Effective the first full pay period following July 1, 2021, the City shall increase the base pay for each classification with a total compensation of below market median based on the Ralph Andersen and Associates’ Total Compensation Survey (“Survey”). Market-based equity increases will be effective the first full pay period following July 1, 2021. These changes are reflected in the Salary Tables Attached as Exhibit “A.”

In addition, each non-surveyed classification which is tied to a benchmark classification will receive a base wage increase sufficient to maintain the differential recommended by Ralph Andersen and Associates in the document entitled “*Salary Benchmarks and Alignments*.” These changes are also reflected in the Salary Tables Attached as Exhibit “A.”

Market based equity adjustments are independent of the cost-of-living adjustment (“COLA”) but will be implemented in an additive (non-compounded) fashion. For example, if a

classification is scheduled to receive a 9.7% market equity adjustment and a 2.0% COLA, the classification will receive a total increase of 11.7%.

(D) Y-Rating

1. Any classification determined to be more than 5% over market median (“Market Median plus 5%”) based on the Salary Benchmarks and Alignments document will be Y-Rated until it has foregone COLA’s equivalent to its position above Market Median plus 5%. In this context, Y-Rating shall mean that the classification will have its COLA’s reduced by 1% of salary until it has foregone COLA’s equivalent to its position above Market Median plus 5%.

[Example A: Classification A is a benchmark classification found to be 7% above Market Median, which means it is 2% over Market Median plus 5%. Classification A will have its COLA’s reduced by 1% per year for a period of 2 years. Under the agreement, COLA’s for each of the next 2 years would have been 2% per year. Therefore, Classification A will receive a 1% COLA in Year 1 (2% minus 1%) and a 1% COLA in Year 2 (2% minus 1%).]

[Example B: Classification B is a benchmark classification found to be 6.7% above Market Median, which means it is 1.7% over Market Median plus 5%. Classification B will have its COLA’s reduced by 1% in Year 1 and 0.7% in Year 2. Under the agreement, COLA’s for each of the next 2 years would have been 2% per year. Therefore, Classification B will receive a 1% COLA in Year 1 (2% minus 1%) and a 1.3% COLA in Year 2 (2% minus 0.7%).]

2. Classifications which received pay increases pursuant to the B2B Side Letter Agreement will not be subject to Y-Rating.

6.2 Temporary Assignment Pay

Temporary Assignment Pay shall be provided in accordance with the City's Temporary Assignment Pay policy and shall apply to all members of the Association.

6.3 Longevity Pay

Effective the first full pay period following July 1, 2023, employees with fifteen (15) years of service with the City of Petaluma shall receive a five percent (5%) adjustment above their hourly rate of pay. The adjustment shall be effective the first day of the payroll period following the employee’s fifteen (15) years of service date.

SECTION 7 – SPECIAL COMPENSATION

7.1 Special Compensation – Loss or Damage to Clothing

City employees may request reimbursement for the loss or damage of his or her clothing that results from work activities. Requests for reimbursement shall be submitted to the Department Director for review and approval. Amounts of reimbursement are at the discretion of the Department Director.

7.2 Special Compensation – Safety Footwear

The City shall pay the cost of all approved safety footwear up to two-hundred dollars (\$200.00) per fiscal year. Replacement of safety footwear shall be on an as-needed basis with approval of the Department Director.

7.3 Special Compensation – Bilingual Pay – Spanish

Eligible employees who are certified for bilingual proficiency in Spanish in accordance with the City's Bilingual Testing and Certification policy shall receive two hundred dollars (\$200) per month for certification at a high-level proficiency or verbally fluent or one hundred dollars (\$100) per month for certification at an acceptable level proficiency or conversational.

7.4 License and Certification Fees

The City shall reimburse employees of the Public Works and Utilities Department and the Chief Building Official for the actual cost of any license or certification (e.g. State Operator's Certification) required by the City per the applicable job specification or by the State of California (e.g. Public Health). Such reimbursement does not apply to drivers' licenses.

7.5 Standby Pay – FLSA Non-Exempt Employees

A non-exempt employee assigned standby shall be compensated at the rate of three dollars and twenty-five cents (\$3.25) per hour for every hour the employee actually stands by. Effective the first full pay period following July 1, 2023, a non-exempt employee assigned to standby shall be compensated at a rate of eighteen percent (18%) per hour of their regular hourly rate for every hour the employee actually stands by. No employee shall be paid for standby time and other compensable duty time simultaneously.

When an employee is assigned standby, the employee must be ready to respond as soon as possible, be reachable by telephone or pager, be able to report to work in a reasonable amount of time as determined by the City for the specific standby assignment, and refrain from activities which might impair his/her ability to perform assigned duties.

Standby assignments shall be rotated as equitably as possible among employees with consideration given for the qualifications and ability of an employee to perform the work. When possible, standby assignments shall be distributed on a voluntary basis to qualified employees. An employee shall be required to be on standby assignment when it is determined by the City that such assignment is essential to the continuing efficient operation of the City or in an emergency.

Weekend/Holiday: For non-exempt employees, a minimum of one (1) hour at time and a half (1.5) shall be paid by the City for every call or assignment required. The intent of the parties is to compensate employees for a minimum of one hour, or time actually worked, whichever is greater. For example, if an employee receives calls at 1:00 PM, 1:15 PM, 1:20 PM, 1:55 PM and the last call finishes at 2:10 PM, he/she is credited for one hour and ten minutes. If an employee receives calls at 1:00 PM, 1:15 PM, 1:20 PM, and 1:45 PM, he/she is paid for one hour, not four hours. It is not the intent that employees be paid for multiple telephone calls received within a one-hour period.

7.6 Emergency Operation Center – FLSA-Exempt Employees

Exempt employees who are required to work when called to an activated Emergency Operation Center local emergency shall be paid at their regular hourly rate for all hours beyond their normal workday.

7.7 Department Operations Center(s) (DOC's) –FLSA-Exempt Employees

Exempt employees who are required to work when called to an activated Department Operations Center as part of an activated Emergency Operation Center local emergency shall be paid at their regular hourly rate for all hours worked beyond their normal workday.

SECTION 8 – ALTERNATE WORK WEEK AND OVERTIME

8.1 Alternate Work Schedule

The City agrees to consider reasonable alternative workweek programs proposed by the employees. Such proposals (e.g. four (4) day work week, flex scheduling, 9/80, job sharing) may be considered on a case-by-case basis by the City. However, the decision as to whether and when, if at all, to implement such alternate programs, the operation of such programs, and the ability to modify and/or terminate such programs, is left exclusively with the City.

8.2 Overtime – Compensation Rate – FLSA Non-Exempt Employees

Employees exempt from the FLSA (exempt employees) do not receive additional pay for overtime and are not covered by this section. For non-exempt employees:

Overtime shall be paid at the rate of one and one-half (1.5) times the regular rate of pay for each hour worked in excess of forty (40) hours in a work week.

In the event an employee is required to work overtime without a break in excess of four (4) hours beyond the end of his/her regularly scheduled work shift, the employee shall be paid at the rate of two (2) times the regular rate of pay for each hour worked in excess of a regular scheduled work day.

Overtime shall only be worked after having received prior authorization by the Department Director or a managerial supervisor.

8.3 Overtime – Minimum – FLSA Non-Exempt Employees

Any non-exempt employee required to work overtime shall, in no case, be compensated for less than one (1) hour for such overtime.

8.4 Overtime – Minimum for Callbacks – FLSA Non-Exempt Employees

Any non-exempt employee required to return to work on an unscheduled, emergency basis after the end of the employee's working day shall, in no case, be compensated for less than two (2) hours for such overtime.

8.5 Overtime – Holidays/Vacation Non-Exempt Employees

When a non-exempt employee is required to work on a fixed holiday (as observed by their work schedule) or during their scheduled vacation leave, such non-exempt employee working on such holiday and during periods of vacation shall be entitled to receive additional remuneration at the rate of one and one-half (1.5) times the regular rate of pay for each hour worked. This pay shall be in addition to Holiday or Vacation Pay.

If an employee's approved alternative work week includes a City fixed-date holiday as described in Section 11.1, that City fixed-date holiday shall be considered hours worked for overtime calculation purposes. This overtime calculation solely applies to City fixed-date holidays described in Section 11.1 and excludes any hours of employee vacation, sick and/or compensatory time.

8.6 Overtime – In Lieu of Payment - FLSA Non-Exempt Employees

In lieu of receiving payment for overtime worked, non-exempt employees, with Department Director approval, who work more than their regular hours on one day, may work fewer hours on another day within the same work week.

SECTION 9 – COMPENSATORY TIME AND CALL BACK

9.1 Compensatory Time Off –FLSA Non-Exempt Employees

Non-exempt employees may receive, in lieu of being paid for overtime, Compensatory Time off (“CTO”), at a mutually agreeable time between the City and the employee, subject to the operational requirements of the City and with approval determined by the City. No employee may earn more than two-hundred-forty (240) hours of CTO per fiscal year. CTO shall not be pyramided or compounded. In addition, no employee may retain on the books more than two-hundred-forty (240) hours of unused Compensatory Time at any given point during the fiscal year. Amounts submitted in excess of these limits shall be paid at time and one-half (1.5) of the regular rate of pay.

9.2 Call Back - FLSA Non-Exempt Employees

If, in an emergency situation, a non-exempt employee is asked to leave work before the end of his/her scheduled work day with the expectation that he/she will be called back to work to finish the remainder of his/her work day at a later time, but the employee is not in fact called back to work that day, the City agrees to compensate the employee for the full normal working day. In exchange, up until the time that the employee’s regular shift is scheduled to end, such employees will be on stand-by status, without any entitlement to any extra compensation.

SECTION 10 - PART-TIME POSITION / SHARED POSITION

10.1 Part-time Position – Definition

A part-time position shall be officially designated as such and shall regularly be assigned to work for at least forty (40) hours but less than eighty (80) hours of work per pay period.

10.2 Part-time Position – Seniority

Seniority for the part-time position shall be determined on the same basis as a regular full-time position.

10.3 Part-time Position – Pro-Rated Leave and Benefits

All leave and all benefits shall be on a pro-rated basis and based upon a determined percent (e.g. 50%, 75%).

10.4 Part-time Position – Merit Pay, Step Increases, and Probationary Period

Standards for merit pay, step increases and probationary period for the part-time position shall be on the same basis as a regular full-time position.

10.5 Shared Position - FLSA Non-Exempt Employees

SECTION 11 - HOLIDAYS

11.1 Holidays – Fixed Holidays

The City shall observe twelve (12) fixed-date holidays. These holidays shall be established for the City's fiscal year as determined by City Council resolution.

In fiscal year 20/21, parties agreed to replace Columbus Day with an additional floating holiday and agreed to formally replace Columbus Day with Cesar Chavez Day in future fiscal years once administratively feasible (including agreement by all impacted bargaining units).

The holidays for fiscal years 21/22, 22/23, and 23/24 are as follows:

Independence Day	Christmas Day
Labor Day	New Year's Day
Veterans' Day	Martin Luther King Day
Thanksgiving Day	Presidents' Day
Day after Thanksgiving	Cesar Chavez Day
Christmas Eve	Memorial Day

The City Council may, by resolution, recognize additional Holidays to be observed for one or more fiscal years covered by this agreement.

When a holiday falls on a Saturday, that holiday will be observed on the prior Friday. When a holiday falls on a Sunday, that holiday will be observed on the following Monday. The City Council Resolution fixing holidays for the fiscal year will normally designate the observed holidays for employees on alternate workweeks (e.g., 4-10 work schedules). Where the City Council does not designate the observed holiday for an alternative workweek and where it will not cause operational issues, the employee will normally take off the workday following the observed holiday.

Example: Employee A's work schedule is Mon, Tue, Sat, Sun. If Veteran's Day falls on Wednesday, November 11, Employee A will normally take off their next regularly scheduled workday – in this case, Saturday.

Observance by an employee of a designated religious event may be granted, if practical, with at least seven (7) days prior approval required for such leave, under the following methods:

- (A) Time charged to accrued vacation allowance; or
- (B) Time off without pay.

Fixed holidays currently provided for in the MOU will be based on the employee's regular work shift. For example, if an employee works a 4/10 schedule, s/he shall receive ten (10) hours of pay for the holiday. If an employee works a 9/80 schedule, s/he shall receive nine (9) hours of pay for the holiday, or eight (8) hours pay if the holiday falls on their regularly scheduled eight (8) hour workday as part of their 9/80 schedule. If an employee works a 5/8 schedule (five days/week, eight hours/day), s/he shall receive eight (8) hours of pay for the holiday. The same shall be true for any employee whose regular work week is fewer than forty (40) hours per week, except that no such employee shall receive more than eight (8) hours of pay for the holiday.

11.2 Holidays – Personal Leave (formerly Floating Holiday)

During the Fiscal year the City will authorize eight (8) hours of Personal Leave per employee, which may be taken by the employee at a time selected by the employee, subject to operational requirements and approval determined by the City. Employees hired between July 1, and December 31, will be eligible for Personal Leave during the course of the fiscal year. Personal Leave is limited to eight (8) hours and may not be carried over to the next fiscal year.

11.3 Personal Leave After 20 Years of Service

After completion of twenty (20) years of service, an employee shall receive an additional eight (8) hours of Personal Leave per fiscal year, which may be taken by the employee at a time selected by the employee, subject to operational requirements and approval as determined by the

City. The additional eight (8) hours of Personal Leave may not be carried over to the next fiscal year.

Vacation payouts under this section will be made in October of the tax year following the election. The employee must have a minimum balance of forty (40) hours after the cash out of vacation. If the employee's requested amount does not leave a minimum forty (40) hours of vacation remaining at the time of cash out, the employee's requested vacation cash out will be reduced to allow the remaining minimum balance to be maintained.

13.5 Sick Leave – Conversion

In February of each year, employees may convert a maximum of one hundred sixty (160) hours of sick leave to vacation at a ratio of four (4) sick leave hours to one (1) vacation hour. Example: Employee requests conversion of 160 hours of sick leave; 40 hours of vacation leave are added to the employee's vacation bank. An employee must have at least eighty (80) hours remaining in his/her sick leave bank after the conversion. SECTION 28 – HEALTH BENEFITS – ACTIVE EMPLOYEES

28.1 Active Employees – PEMHCA Contribution

The City currently provides health benefits through the CalPERS Health Benefits Program under the Public Employees' Medical and Hospital Care Act (PEMHCA). The City's employer contribution for each employee's health benefits shall be the minimum required by PEMHCA ("PEMHCA minimum"). The City pays this contribution directly to CalPERS. It is separate and apart from the annual health insurance rates and the additional contribution noted in Section 28.2

28.2 Additional Contribution – Effective January 1, 2023

Coverage	2023 Health Rates (Based on 2023 Region 1-Kaiser Rates)	PEMHCA Contribution (Added to the City's Benefit Contribution)	2023 Health Rate Less the PEMHCA Contribution	City's Benefit Contribution of 95%	2023 City's Total Contribution Rate	Employee Contribution KAISER
Employee Only	\$913.74	\$151.00	\$762.74	\$724.60	\$875.60	\$38.14
Employee + 1	\$1,827.48	\$151.00	\$1,676.48	\$1,592.66	\$1,743.66	\$83.82
Employee + 2 or more	\$2,375.72	\$151.00	\$2,224.72	\$2,113.48	\$2,264.48	\$111.24

For example, the 2023 Kaiser health rate for an employee electing employee only coverage is \$913.74. The PEMHCA contribution (\$151.00) is subtracted from the 2023 Kaiser health rate (\$913.74) to attain the 2023 health rate less the PEMHCA contribution (\$762.74). The 2023 health rate less the PEMHCA contribution (\$762.74) multiplied by ninety-five percent (95%) equals the City's benefit contribution of \$724.60. The PEMHCA contribution (\$151.00) is added to the City's benefit contribution of \$724.60 to attain the total 2023 City's contribution rate (\$875.60). The total 2023 City's contribution rate (\$875.60) is subtracted from the 2023 Kaiser health rate of \$913.74 to attain the monthly employee contribution rate of \$38.14.

28.3 Additional Contribution – Effective January 1, 2024

The 2024 CalPERS premium for Kaiser – Region 1 and required 2024 PEMHCA contribution are unknown. Effective January 1, 2024, the City shall pay the additional benefit that depends upon the actual percentage increase in the Kaiser – Region 1 premium.

The City's benefit contribution for 2024 shall be equal to the actual 2024 CalPERS Health premium for Kaiser – Region 1, less the City's PEMHCA contribution, times ninety-five percent (95%) for current employees and their covered family members.

28.4 Additional Contribution – Effective January 1, 2025

The 2025 CalPERS premium for Kaiser – Region 1 and required 2025 PEMHCA contribution are unknown. Effective January 1, 2025, the City shall pay the additional benefit that depends upon the actual percentage increase in the Kaiser – Region 1 premium.

The City's benefit contribution for 2025 shall be equal to the actual 2025 CalPERS Health premium for Kaiser – Region 1, less the City's PEMHCA contribution, times ninety-five percent (95%) for current employees and their covered family members.

28.5 Additional Contribution – Effective January 1, 2026

The 2026 CalPERS premium for Kaiser – Region 1 and required 2026 PEMHCA contribution are unknown. Effective January 1, 2026, the City shall pay the additional benefit that depends upon the actual percentage increase in the Kaiser – Region 1 premium.

The City's benefit contribution for 2026 shall be equal to the actual 2026 CalPERS Health premium for Kaiser – Region 1, less the City's PEMHCA contribution, times ninety-five percent (95%) for current employees and their covered family members.

Seniority for the retreat classification would be the combination of time served (at or above) in the layoff classification and any prior time served in the retreat classification. Ties will be broken based upon seniority of total City service.

Employees retreating to a lower or similar classification shall be placed at the salary step representing the least loss of pay. In no case shall the salary be increased above that received in the classification from which the employee was laid off.

Employees retreating to a lower or similar classification shall serve a probationary period in the new classification unless they have previously completed a probationary period in the retreat classification or a higher classification in the series.

42.9 Recall – Duration of Re-Employment List

Names of persons laid off shall be carried on a re-employment list for two (2) years.

SECTION 43 – EMPLOYEE PERSONNEL FILE

SECTION 45 - FLEXIBLY STAFFED CLASSIFICATIONS

Flexibly staffed classifications are those so defined by adopted class specifications. Advancement from one level of a flexibly staffed classification to the next level of a flexibly staffed classification (e.g., from Management Analyst I to Management Analyst II) may occur when a position is authorized at the higher level but filled at the lower level and there is a department need. At such time, upon the request of the Department Director and approval by the City Manager, incumbents may advance to the higher level upon attainment of the required training, education, and/or experience, who have demonstrated proficiency in the member's area of assignment.
