Mayor McDonnell & Members of the Petaluma City Council
11 English St.
Petaluma, CA 94952

Dear Honorable Mayor McDonnell & City Council members,

I am writing to you as the newest member of the Petaluma Lodging Association, and I am in support of renewing the Petaluma Tourism Improvement District (PTID) for the next 10 years. The Petaluma Visitors Program has been an integral part of promoting our new opening and continues to be a vital resource in our success.

Our partnership with the City of Petaluma and the community has been a great asset to the Hilton Brand. We look forward to building upon the relationships we have fostered and ask that you please vote "yes" for the renewal of the PTID.

Sincerely,

Ken Murakami
