**NOW THEREFORE BE IT ORDAINED** by the City Council of the City of Petaluma, as follows:

**Section 1. Findings** The City Council of the City of Petaluma hereby finds:

1. That the above recitals are true and correct and are incorporated into this Ordinance as findings.
2. The proposed amendment to adopt the map revision for the Oyster Cove Mixed Use Neighborhood Development, attached hereto as Exhibit 1, is in general conformity with the Petaluma General Plan 2025 and Central Petaluma Specific Plan in that the amendment implements the applicable policies as described in the May 9, 2023 Planning Commission staff report, included as an attachment to the September 18, 2023 City Council staff report.
3. The public necessity, convenience, and general welfare permit the adoption of the proposed Zoning Map Amendment. The amendment will support the development of new housing, including affordable housing, and provide a variety of public benefits, including new multi-modal transportation infrastructure and public spaces. The amendment will create a single zone for a single parcel of land and will allow for one set of rules to apply to the site.
4. An Initial Study was prepared in compliance with the California Environmental Quality Act for the proposed project, inclusive of the proposed zoning map amendment. The proposed project has been determined that it could result in potentially significant impacts related to Air Quality, Biological Resources, Cultural Resources, Geology/Soils, Hazards/Hazardous Materials, Hydrology/Water Quality, Noise, and Tribal Cultural Resources. However, the Initial Study found that project impacts would be mitigated to a less-than-significant level through implementation of recommended mitigation measures or through compliance with existing Municipal Code requirements or City standards. The Planning Commission approved Resolution No. 2023-05 on May 9, 2023, recommending City Council adoption of the Mitigated Negative Declaration and Mitigation Monitoring Reporting Program for the project, with minor revisions which have been incorporated in a Final IS/MND. The City Council approved Resolution No. 2023-151 on September 18, 2023, adopting the Mitigated Negative Declaration and Mitigation Monitoring Reporting Program.

**Section 2.** City of Petaluma SmartCode Regulating Plan contained in the SmartCode Amendments, adopted July 1, 2013, Ordinance No. 2470 N.C.S. is hereby amended to change the Zoning District of a 1.86-acre portion of a 3.86-acre parcel located at 100 East D Street from River Dependent Industrial District (D3) to Urban Center (T5) for the Oyster Cove Mixed Use Neighborhood project, as shown in Exhibit A.

**Section 3. Severability** If any section, subsection, sentence, clause, phrase, or word of this ordinance is for any reason held to be unconstitutional, unlawful, or otherwise invalid by a court of competent jurisdiction or preempted by state legislation, such decision or legislation shall not affect the validity of the remaining portions of this ordinance. The City Council of the City of Petaluma hereby declares that it would have passed and adopted this ordinance and each and all provisions thereof irrespective of the fact that any one or more of said provisions be declared unconstitutional, unlawful, or otherwise invalid.

**Section 4. Effective Date.** This ordinance shall become effective thirty (30) days after the date of its adoption by the Petaluma City Council.

**Section 5. Posting/Publishing of Notice** The City Clerk is hereby directed to publish or post this ordinance or a synopsis for the period and in a manner provided by the City Charter and other applicable laws.
