EASEMENT DEED

PM#35433382, 1110 - FLEET004591603_PETALUMATRANSIT_PETALUMA

CITY OF PETALUMA, a public body of the State of California,

hereinafter called Grantor, hereby grants to PACIFIC GAS AND ELECTRIC COMPANY, a California corporation, hereinafter called Grantee, the right from time to time to construct, reconstruct, install, inspect, maintain, replace, remove, and use facilities of the type hereinafter specified, together with a right of way therefor, within the easement area as hereinafter set forth, and also ingress thereto and egress therefrom, over and across the lands of Grantor situate in the City of Petaluma, County of Sonoma, State of California, described as follows:

(APN 007-391-039)

The parcels of land conveyed by City of Petaluma to Grantor by deed dated September 23, 2003 and recorded as Document No. 2003208234, Sonoma County Records and therein designated PARCEL ONE and PARCEL TWO.

Said facilities and easement area are described as follows:

Such underground conduits, pipes, manholes, service boxes, wires, cables, and electrical conductors; aboveground marker posts, risers, and service pedestals; underground and aboveground switches, fuses, terminals, and transformers with associated concrete pads; electric vehicle charging supply equipment, bollards and/or curbs or other associated safety equipment, associated signage; and fixtures and appurtenances necessary to any and all thereof, as Grantee deems necessary for the distribution of electric energy and communication purposes located within the strips of land of the uniform width of 10 feet, lying 5 feet on each side of the alignment of the facilities as initially installed hereunder. The approximate location of said facilities are shown upon Grantee's Drawing Number 35433382 attached hereto and made a part hereof.

Grantee agrees that on receiving a request in writing, it will at Grantor’s expense, survey, prepare and record a “Notice of Final Description” referring to this instrument and setting forth a description of said strips of land.

Grantor further grants to Grantee the right, from time to time, to trim or to cut down any and all trees and brush now or hereafter within said easement area, and shall have the further right, from time to time, to trim and cut down trees and brush along each side of said easement area which now or hereafter in the opinion of Grantee may interfere with or be a hazard to the facilities installed hereunder, or as Grantee deems necessary to comply with applicable state or federal regulations.

Grantor shall not erect or construct any building or other structure or drill or operate any well within said easement area.

Grantor further grants to Grantee the right to assign to another public utility as defined in Section 216 of the California Public Utilities Code the right to install, inspect, maintain, replace, remove and use communications facilities within said easement area (including ingress thereto and egress therefrom).

In the event upon termination of the electric vehicle charging station contract as set forth in said terms and conditions, Grantee shall upon written demand therefor execute and deliver to Grantor a good and sufficient quitclaim of said easement and right of way or such portion thereof conveyed in this document, at Grantor’s expense.

The legal description herein, or the map attached hereto, defining the location of this utility distribution easement, was prepared by Grantee pursuant to Section 8730 (c) of the Business and Professions Code.

The provisions hereof shall inure to the benefit of and bind the successors and assigns of the respective parties hereto.

In exercising its easement rights hereunder, Grantee shall not unreasonably interfere with, disrupt, or materially adversely affect Grantor’s business operations or access rights at the property owned by Grantor.
