**Planning Commission Minutes**

**Tuesday, May 14, 2019 – 07:00 PM**

**Regular Meeting**

## **DRAFT MINUTES**

**1. CALL TO ORDER**

Chair Marzo opened the meeting at 7:00 PM

**2. ROLL CALL**

PRESENT: Diana Gomez, Bill Wolpert, Richard Marzo, Heidi Bauer, Scott Alonso,  
and Kevin McDonnell

ABSENT: Streeter

**3. PUBLIC COMMENT**

The Commission will hear public comments only on matters over which it has jurisdiction. There will be no Committee/Commission discussion or action. The Chair will allot no more than three minutes to any individual. If more than three persons wish to speak, their time will be allotted so that the total amount of time allocated to this agenda item will be 15 minutes.

The General Comment period was opened. Seeing no speakers, Chair Marzo closed the comment period.

**4. COMMITTEE COMMENT**

A. Council Liaison – Kevin McDonnell

Council member McDonnell reported that the Council has been working on the community goals and are waiting for the results of the recent community meeting. They have been actively engaged in climate crisis concerns and formed an ad hoc committee to receive community input. The City Council received the first draft of the city budget which showed more revenue from sales

and an increased capital budget including the land components of Rainier projects. Also proposed are major paving projects on Sonoma Mountain Parkway and Maria Drive.

B. Pedestrian and Bicycle Committee – Bill Wolpert

Commissioner Wolpert reported that the Pedestrian and Bicycle Committee met on May 1st. The highlights included a review of the draft of Trails and Greenway program, Discussions included Bike to Work Day, Safe Routes to School final reports for Casa Grande and Petaluma High School, and the road diet on Petaluma Blvd. South.

C. Tree Advisory Committee – Scott Alonso

Commissioner Alonso reported that there was no Tree Advisory Committee meeting in May and their next meeting will be in June.

D. Other Committee Comment

Commissioner Alonso wanted to hear about the Council's position on the upcoming item regarding the Senate Bill 50.

Ms. Hines stated that there will be discussion on this topic at the next Council meeting which may include drafting a letter with council's opinion.

Council member McDonnell stated that SB 50 improves density near transit areas which is intended for adding housing. There have been recent revisions on the State Senate Bill. He expects that the upcoming City Council discussion will be contentious.

Ms. Hines noted that there is concern about the loss of local control in housing development in station areas.

**5. STAFF COMMENT**

A. Planning Manager's Report

Heather Hines, Planning Manager reported that the results of the draft council goals should be available this week and will be posted on the Petaluma Star website. Council approved a 45-Day moratorium on approval of any new gas stations that are not deemed complete as of effective date of the ordinance. Council also reviewed the DeCristo multi-family project and approved the density bonus housing agreement and environmental document. The project will come back to Planning Commission for Site Plan & Architectural Review in June. The Water Street Properties project is scheduled to go to the Council next week. Upcoming City Council Workshops of interest include topics on Reach Codes, Crosstown Connectors, and Housing. Future projects at the

Commission level include the Haystack Pacifica project at Copeland Street, Weller Street, D Street and Washington Street.

Matt Gray, applicant's attorney, was concerned that setting a time limit to the CUP is not appropriate for a housing project. Once it's occupied, the remedies should be consistent with other multi-family projects. He would like to see this clarified in the language of the resolution.
